

Next Steps

You've completed Learn Sass: Best Practices! What's next?

Congratulations, you've successfully completed the Learn Sass: Best Practices course! You've learned how to use import files, organize file structures, and Sass shorthand to keep your code DRY and scalable.

Great job on finishing the Sass roadmap, here's a quick recap:

- [Learn Sass: Fundamentals](#)
- [Learn Sass: Mixins and Parent Selector](#)
- [Learn Sass: Functions and Operations](#)
- [Learn Sass: Best Practices](#) <– Completed!

Once again, congratulations on finishing the Learn Sass: Best Practices course! We are excited to see what you accomplish next.
